Education

ECVET, genel olarak yabancı bir ülkede edinilen dokümantasyonların alındığını gösteren ve kanıtlayan bir araçtır. Bu açıdan bakıldığında VET-Express projesinin fikri çıktılarını olarak adlandırılacak olan çevrimiçi platform ve ECVET kullanım rehberi birçok Avrupa ülkesini ulusal düzeyde aydınlatılmasında ve "Hayat Boyu Öğrenme" hedeflerine ulaşılmasında etkili olması bakımından yenilikçi çıktılar içermektedir.

VETEXPRESS PROJECT

MEMORANDUM OF UNDERSTANDING MoU

1. Definition of MoU

The MoU is a framework agreement between competent institutions in two or more countries, involved in ECVET.

Signing the MoU:

- Accept each other's status as competent institution.
- Accept each other's assurance, assessment validation and recognition criteria and procedures as satisfactory for the purposes of the credit transfer.
- Agree the conditions for the operation of the partnership, such as objectives, duration and arrangements for review of the MoU
- Agree of the comparability of qualifications concerned for purposes of credit transfer, using the reference levels established by EQF.
- Identify other actors and competent institutions that may be involved in the process concerned and their functions.

The MoU has specific duration and can be renewed. During its valid period, the MoU defines the overall terms of collaboration of the ECVET Partners

In case you have agreed on other objectives, indicate them:
